	Agenda Topic	Topic Facilitator	NOTES <i>(notes are provided in italics and blue)</i>	Action Items
I.	Welcome	Dr. John Saroyan	<p><i>Thanks to the Central office and field staff for their hard work during the 2023 Legislative session, as well as Senator Lyons and Rep. Houghton for their leadership. Looking forward to a successful pilot. (Bill linked under Action Items)</i></p> <p><i>An overview of the Requested Reports is given, linked under Action Items.</i></p> <p><i>In terms of hiring at Blueprint Central Office: the Data and Analytics Position has been filled and the Project Administrator position is yet to be filled.</i></p> <p><i>The Blueprint is committed to collecting all feedback in the progress of the pilot, and open to all for input.</i></p>	Bill Link: https://legislature.vermont.gov/Documents/2024/Docs/BILLS/H-0494/H-0494%20Senate%20proposal%20of%20amendment%20Official.pdf
II.	Program Design Workgroup - CHT	Julie Parker	<p><i>The CHT program design work is investing their time so far in overviewing screenings for all ages including caregivers with a focus on pediatrics to include MH/ substance use disorder screening. The process and workflow around implementation of screenings.</i></p> <p><i>Incoming discussions: Moving on to the roles of the Community Health Teams; use of master-level clinicians and community health workers and workflow.</i></p>	

			<p><i>Receiving materials from SASH for screening would be a helpful resource.</i></p> <p><i>Evidence-based standardization is encouraged</i></p>	
III.	DULCE Program Design Workgroup	Ilisa Stalberg	<p><i>There is an expansion of DULCE in 6 sites statewide and ensuring the readiness of the practice, looking at small and moderate volume practices for resource connections.</i></p>	
IV.	Measurement and Evaluation Workgroup	Mara Donohue	<p><i>A summary of information on the Measurement and Evaluation committee is given. Please visit the Blueprint Website for the presentations given so far.</i></p> <p><i>REACH impact, mental health initiative resources, specific measures around who the pilot will reach and how they will be impacted.</i></p> <p><i>For the next meeting, the group is requesting peer-reviewed long-term measures and for participants to rank their inclusion in the evaluation.</i></p> <p><i>Decisions around scope will be determined and work in conjunction with the CHT Program Design Committee, with a focus on easing implementation in smaller practices.</i></p> <p><i>There is an interest in measuring wait times in emergency departments.</i></p> <p><i>More updates to come in June with the help of data from OnPoint.</i></p> <p><i>Looking towards VITL for assistance in data management. (More information to come in July)</i></p>	<p>https://blueprintforhealth.vermont.gov/expansion-proposal-workgroups</p>
	Payment Workgroup	Jennifer Herwood	<p><i>There has been one Payment meeting, with another next Wednesday. There was an overview given of payment models.</i></p> <p><i>Payment meetings may extend beyond June.</i></p> <p><i>The increase of the PMPM through Medicaid will be used to fund positions on the Community Health Teams to increase their capacity to care for individuals with mental health and substance disorder needs.</i></p>	
	Website Updates	Dr. John Saroyan	<p><i>There are new homepage updates for the Blueprint for Health including a map of all Blueprint practices and the Hubs, linked under Action Items.</i></p>	<p>Blueprint for Health Map</p>

	Patients by Payer Data	Dr. John Saroyan	<i>Charts displaying the breakdown of patients by payers by HSA are shown, linked under Action Items.</i>	https://blueprintforhealth.vermont.gov/patients-payers-data
	CAHPS information		<i>The data given by Laura Wreschnig is now available on our website, linked under Action Items</i>	CAHPS 2022 (self-management, access to subspecialists) Patient experience surveys
			<i>Our next meeting will be June 15th.</i>
