

## FAQ

- 1.) What does it mean to be a Blueprint Practice?
  - a. Being a Blueprint practice means the practice participates in one of the following Blueprint programs: Patient Centered Medical Homes, the Hub and Spoke, or the Women's Health Initiative (WHI) program.
- 2.) Why should you visit a Blueprint Practice for care?
  - a. Blueprint practices are supported by Community Health Teams (CHT) that work together to meet the needs of their local community. By going to a Blueprint practice, you may access services provided by the CHT that may include
    - i. Individual care coordination
    - ii. Brief counseling and referral to more intensive mental health care as needed
    - iii. Substance use disorder treatment support
    - iv. Condition-specific wellness education
    - v. For specific guidance on what services are offered at certain Blueprint practices, please read the section on seeking medical services provided by Blueprint practices at this [link](#).
    - vi. For additional information on what it means to be a Blueprint practice and what they offer, please follow this link [About the Blueprint | Blueprint for Health \(vermont.gov\)](#)
