

Tobacco Use in Vermont:

*Discover Smoking Cessation
Best Practices & Support*

THURSDAY, DECEMBER 14
8:00 - 9:00 AM

PART 2: Insights from Vermont Experts

Join us for Part 2 of our three-part Tobacco Cessation Learning Series, hosted by Healthcentric Advisors, an IPRO QIN-QIO member, and the Vermont Department of Health.

This session brings together Vermont experts in oral health, pharmacy, and behavioral health as they explore effective strategies for connecting patients to tobacco cessation treatment. Gain valuable insights and collaborative approaches to elevate your impact in tobacco cessation.

➤ Who Should Attend

This series is intended for health, dental, and social care professionals and clinicians who might refer individuals to tobacco cessation counseling.
