

Tobacco Use in Vermont:

*Discover Smoking Cessation
Best Practices & Support*

THURSDAY, JANUARY 25
8:00 - 9:00 AM

PART 3: Hypertension Control & Tobacco Cessation for Better Heart Health

Join us for the final session of the Tobacco Cessation Learning Series, hosted by Healthcentric Advisors, an IPRO QIN-QIO member, and the Vermont Department of Health.

We'll explore tools and resources from Million Hearts® that support both tobacco cessation and hypertension control. In harmony with February's National Heart Month, we'll also delve into heart health initiatives presented by the Vermont Department of Health and Vermont Department of Health Access.

Who Should Attend

This series is intended for health, dental, and social care professionals and clinicians who might refer individuals to tobacco cessation counseling.
